Preparing to Meet the LORD!

Education - **Not Indoctrination**

Eagle Country Christian Academy
Remer, Minnesota

K-12 Private School
Founded - 1989

We believe that Jesus died and rose! – and We, who are alive and remain when he comes, will be caught up together in the clouds to meet the Lord Jesus in the air! – and We will be forever with the Lord! (from 1 Thessalonians 4)

Curriculum

Accelerated Christian Education (A.C.E.) Curriculum

At the Core of the ECCA Academic Program lies the **Bible (God's Word)** and the Accelerated Christian Education (A.C.E.) Curriculum. The A.C.E. or School of Tomorrow Curriculum is broken down into small booklets called PACEs and is based on the principle that the student must learn the subject and course material in each sequenced PACE before he or she can continue on to the next PACE. There are some very strong, positive points to the A.C.E. Curriculum:

- **A**ccelerated Curriculum
 - Is Self Paced (student works at his or her own pace)
 - Benefits the slower student by allowing him or her to learn and not be left behind
 - Benefits the faster student by not limiting the opportunities to learn
 - Is designed for All Students to set attainable goals and successfully achieve them
- **C**hristian Curriculum
 - Provides Scripture Memory in every PACE
 - Is filled with Biblical Principles and Godly Character Traits throughout the PACEs
- **E**ducation Curriculum
 - Meets the State Requirements
 - Basic Communication Skills
 - Reading
 - Writing
 - Speaking
 - English Language
 - Literature
 - Fine arts
 - Mathematics and Science
 - Social Studies
 - History
 - Geography
 - Government
 - Health

ECCA Curriculum

In addition to the School of Tomorrow (A.C.E.) Curriculum, ECCA offers many other subjects and courses such as:

- Art
- Music
- Industrial Technologies
- Home Management
- Physical Education (Minnesota State Requirement)
- First Aid
- Computer Courses (Integrated with A.C.E. Curriculum)
- Computer Science (for PC Computers)
- Special Elective Courses

IA (Iowa Assessments - Achievement Tests)

The State of Minnesota requires that each year a nationally norm-referenced standardized achievement examination be given to all students. ECCA has chosen the IA (Iowa Assessments - Achievement Tests) for several reasons:

- The IA is a national achievement test that is widely used throughout the United States.
- A.C.E. along with IA's Publisher has established a very efficient program to supply and score the IA tests for Christian Schools.
- ECCA administers the IA at its own school location.

Each spring, between the dates of April 1 and April 30, all ECCA students are required to take the IA test to measure their academic progress. During the same period another test, the CogAT (Cognitive Abilities Test), is administered to ECCA students.

Diagnostic Tests

Diagnostic Tests are a set of tests, that are given to all **New Students** who have been accepted at ECCA, to determine where they are academically in the following Five Major Subject areas:

- Math
- English
- Social Studies
- Science
- Spelling & Vocabulary

These Diagnostic Tests are individually administered on Days that are mutually agreeable with the Parents, the Student and the ECCA Administrator or Staff.

The results from these Diagnostic Tests are very important! The Administrator and the Staff use these test results to place the Student at the proper starting levels in the self-paced A.C.E. or School of Tomorrow Curriculum.

After receiving the Results of the Diagnostic Tests and the Placement Diagnosis, the Parents or Guardians should take time to re-evaluate their position and direction and possibly reconsider enrolling their child in ECCA. If the Parents or Guardians choose to withdraw the Student's Application at this point, any payments will be refunded and any original student records gathered will be returned.

Physical Education

If physically able, an ECCA Student is required to regularly participate in all Physical Education activities which also includes many of ECCA's Field Trips. A Parent or Guardian Signature giving the student Permission to participate in these activities is also required. (See Student Registration Form)

Libraries

Mobile Library

Students at ECCA regularly visit the Kitchigami Regional Mobile Library when it stops in Remer every other week. Each ECCA student is issued a Library Card which can also be used at the Grand Rapids Public Library.

Grand Rapids Public Library

Periodically, ECCA students and staff visit the Grand Rapids Public Library for the purpose of learning how to use the Library.

ECCA Library

ECCA has its own Library area that contains a collection of Reference Books, Literature Books, Audio and Video Tapes, Maps, Encyclopedias and Computer Software. **With help of donations our Library will continue to grow.**

2 Timothy 2:15 Study to show yourself approved unto God, a workman that needeth not be ashamed, rightly dividing the word of truth.

School Field Trips

Field Trips

Field Trips are a tremendous opportunity and experience for all ECCA students and all participating Home School students. On some Field Trips, students acquire new knowledge and new experiences; while on other Field Trips, students participate in physical activities. ECCA is planning a wide variety of Field Trips again for the next school year. Locations of some of our Field Trips during the past school years are listed:

- Forest History Center
- Paulucci Space Center
- Buena Vista Ski Area
- Blandin Paper Company
- Iron Mine Tours
- Roller Skating
- Bowling
- Itasca State Park
- Area Hiking Trails
- Nisswa Biking (Paul Bunyan Trail)
- Duluth Zoo
- Duluth Aquarium
- County Courthouse and Jail
- Grand Rapids YMCA

Spring School Trip

Near the end of each school year, all ECCA Students and Staff along with any participating Home Schools take an exciting one or two day Spring School Trip that is planned for fun and adventure. Parents are invited to participate.

Spring Student Convention (Competition)

School of Tomorrow (SofT - A.C.E.) holds an Annual Student Convention each spring for high school students (ages 13 through 18). To participate in competition, a student must be 13 years of age before December 15 of that school year. This Convention is open to students from all schools and home schools using the School of Tomorrow (SofT - A.C.E.) Curriculum within the State. The students number between 200 and 400 each year for the regional Minnesota Student Convention. Students who attend compete for ribbons, certificates and medals in such areas as Academics, Arts, Chess & Checkers, Photography, Music, Athletics, Speech and Drama. This is an event in which we at ECCA encourage each of our high school students to participate.

Our first year at the Convention was fun, exciting and a new adventure. The 1992 Convention was even more exciting because each of our three students placed as a winner in at least one event. For the 1993 Student Convention, we saw a record number of eight Students attend from ECCA. Six students attended and all six placed as winners in the 1994 Convention. The 1995 Convention, what can we say, 6 staff, 5 students, 3 cars, 1 Mall of America, a new location and lots of fun. Art dominated the 1996 Convention for many of our ECCA Students. The 1997 Convention was the best one yet with eight students attending. The PACE Bowl and the Art competition were the highlight events at the 1998 Convention. The 1999 Student Convention was a delightful experience with much Christian Maturity and four fun-filled, talented and enjoyable ECCA students all receiving an award. Students stretching their thinking, their talents and their abilities were the happening at the 2000 Convention. ECCA students also attended the 2001 and the 2002 Student Conventions making it twelve years in a row that ECCA had participated. We did not attend the 2003 through 2007 Conventions due to the lack of High School Students. However, at the 2008 Convention, ECCA was back in form with our two fantastic High School Girls receiving awards. Three girls and one boy attended the 2009 Convention with awards in ping-pong, spelling, checkers, and poetry. Art, Photography and Writing put us in the forefront at the 2010 Convention with 5 girls and 2 boys participating. The Students, Staff and Parents attending the 2011 Competition had a great time together and each student received at least one award. However, an increasing persuasive spirit of legalism over the years makes it more and more difficult for ECCA to justify participating. **[This School Year, 2022, ECCA plans to attend the ACE Student Convention!](#)**

Students that rank high in the regional State Convention are eligible to go on to the International Student Convention. Any student that goes on to compete in the International Student Convention must be accompanied by one of his/her Parents and one ECCA Staff member. The Student and his/her Parent/s must pay their own expenses, and ECCA encourages the Student to earn the money (not allowing the student to raise money by having people pledge or donate). ECCA pays the expenses for the ECCA Staff member accompanying the Student and Parent/s.

Chapel

Chapel is a very special time at ECCA. It is incorporated in the regular school day and usually occurs once each week. The purpose of this very special gathering time is to allow and encourage all of the students and all of the staff to be free to Worship and to Praise God.

Release Time Class (Bible Instruction Class)

Release Time Class is typically a two hour Bible Instruction Class for Elementary students who enroll from the Public (Government) School. There are usually 10 to 12 sessions during the school year. To attend Release Time Class, a Public School Student must enroll by having his/her parent/s submit a permission slip to the student's teacher or the Remer Elementary School Office. Students who attend receive Religious Instruction from the Bible (God's Word). Also, ECCA Elementary Students are required to attend Release Time Class and Home School Students and Parents are welcomed and encouraged to attend. ECCA High School Students, also, must attend and participate and may volunteer to assist in helping with Release Time Class.

Bible Devotions

Bible Devotions are times set apart for studying God's Word, sharing with one another, and listening to and learning from the Spirit of God. (Daily)

Daily & Weekly Routine Activities

At ECCA, there are some routine activities that occur every day, some that occur once a week, and some that occur during Chapel. A few of these activities are listed here:

Singing (Worshiping and Praising God)

Story or Book Reading

Some mornings start with a Story or a Book being read to the students.

Prayer

This is an opportunity for each student (as an individual and as part of a group) to devote time to talk with God and to pray for one another.

Pledges

As a group all ECCA Students and Staff pledge their allegiance to:

- The American Flag
- The Christian Flag
- The Bible

Announcements

This is a time for announcements and questions.

Monthly or Quarterly Scripture Memorization

Each morning all ECCA Students and Staff, together, recite the chapter or portion of Scripture selected for the current month or the current period of time. Usually, the Principal or Head Teacher selects the new portion of Scripture for each new period of time throughout the school year. By the end of the school year all students have memorized and placed in their hearts many portions of Scripture.

Student Written & Oral Reports

Each week every student gives at least one Written & Oral Report. These Reports, issued by the Head Teacher, may be reports on Books, Current Events, Trips, Experiences, Special Topics, Etc.

Matthew 22:37-39 Jesus said, "You shall love the Lord your God with all your heart, with all your soul, and with all your mind You shall love your neighbor as yourself."

Cooperative Sports and Band

In the past, ECCA, Northland High School, and Deer River High School have had Agreements in place for Cooperative Sponsorship of Girls and Boys High School Sports Activities and Band. **Since the Spring of 2011, it has been the policy of NHS-Northland High School and Shem Daugherty in particular to not engage in Cooperative Sponsorship Agreements with ECCA! However, they continue to have Agreements with other Schools!** Bad decision by our local Public School and its Staff – we pay taxes too!

We plan on resuming Sports Activities when the pendulum swings back to what is just plain right for Sports in our community!

MN State High School League

ECCA in the past has been a member of the Minnesota State High School League (April 1, 1989 through May 31, 2011). Since we currently have no way to participate in Sports Activities, ECCA has temporarily dropped its membership in the MSHSL.

School Year Calendar

Calendar Information for 2022-2023 is NOT AVAILABLE as of April 1, 2022

Bus Transportation

All Students

In Minnesota, Public (Government) School Bus Transportation is available to all public and non-public schools including ECCA and ECCA Students. Any ECCA Parents planning to use the Bus Transportation System for their Student/s should make all the necessary arrangements with the District at least one week prior to the first day of school. Also, Parents need to add the Name/s of their Student/s to ECCA's Bus List.

Students within Ind. School District No. 118

In the morning, ECCA Students who live within the Independent School District #118 and choose to be transported by bus will ride the public school bus to the Remer Public School, then, transfer to a bus that brings them directly to the front of the ECCA building. In the afternoon this process is the reverse.

Students outside Ind. School District No. 118

For those students living outside of Independent School District #118 and choosing to be transported by bus, the parents or guardians must make arrangements with ECCA and District #118 to bring their children to a pre-designated bus stop. From there a District #118 school bus will transport those students to the Remer Public School, then, on to ECCA.

ECCA Student/Parent Handbook

The "ECCA Student/Parent Handbook" contains ECCA's Policies, Rules, Guidelines, and Procedures along with other Important Information for Students and Parents. The original "Handbook" was developed from ACE materials and input from the ECCA Board, Parents, Students and Staff. Since the "Handbook" is still in need of much revision, sometime in the future ECCA will be developing a completely new "Handbook."

ECCA Orientation Meeting for Parents/Students

There is NO "Orientation Meeting" scheduled for this Summer, 2022.

However, if the Staff determines that a "Meeting" is needed, Parents will be notified of the Date and Time. Then, all Parents and Students should attend the "ECCA Orientation Meeting for Parents and Students" to get the latest information for the new School Year (2022-2023). We also encourage all church attendees and others that are interested in the school to come to this Meeting.
